Real money slot games are available at every legitimate online casino that lets you deposit and withdraw money with various payment services such as credit cards and e-wallets. Several options are available, including 3-reel classic and 5-reel slots, licensed slot machines, 3D animated slots, and progressive jackpot games.

Who Wants to Be a Millionaire Megaways is a 6-reel slot powered by Big Time Gaming with up to 7 symbols per reel. It's a high-volatility game, so you'll want to load it up and start playing immediately. The RTP of Big Time Gaming's Who Wants to Be a Millionaire is 96.24%, which is considered a mid-RTP game. This payout percentage refers to how much money players can expect to win as prizes on average for every 100 dollars wagered.

Who Wants to Be a Millionaire Megaways is based on a television show with the same name. In this game, a different symbol configuration lands on the slot reels per spin, giving players 324 to 117,649 ways to win. The free spins feature has an infinite win multiplier. A good strategy for this slot is to keep spinning the reels as much as possible until they can activate the free spins mode.

Starburst is a NetEnt 10-line slot game that has been a massive hit with players since its release in 2013. This slot is a low volatility game with an RTP of 96.09%, a maximum single win of x250, and expanding wilds that trigger re-spins.

This slot has an exciting feature called Starburst Wilds. When the Wild symbols appear on the middle three reels, they expand to fill them with Wilds, activating the Wild bonus round. This bonus can grant up to 5 Re-spins, making it extremely rewarding! A Re-Spin is also awarded during this bonus, and another Re-Spin is awarded if another Wild symbol appears.

Pragmatic Play's latest release, Gates of Olympus, is based on their "win all ways" mechanic. This highly volatile slot shares many of the same features and mechanics as the software provider's other popular titles, such as Sweet Bonanza. The game is designed in a 6-reel, 5-row format, and you can wager between 0.20 and 100 credits per spin. The slot's RTP is set to 96.50% by default.

In Red Tiger Gaming, winning combinations are formed by landing three or perhaps more identical symbols on any reel from left to right. When you land a six-of-a-kind combination, the treasure chest offers the most generous prize of 900x. The Primate Smash is a random feature that can show up on losing spins. Sticky wilds, stacked wilds, and wild multipliers are the other features of this game.

Legacy of Dead is a Play'n GO online slot, yet another "Book" game. The slot has five reels, three rows, and ten fixed paylines. The Legacy of Dead slot has an RTP of 96.58%. This game's RTP is above average, making it an excellent option if you pick games based on this figure. It's also a high volatility game, implying that you can win large sums of money, but not as frequently as in a medium or low variance game.

The Immortal Romance slot features four free spins bonuses with various mechanics such as cascading reels, extra wilds, and multipliers - as well as a stacked wild-based game bonus. That much variety is rare, even in recently released slot games! The four unlockable free-spins bonuses and Wild Desire bonus are among the features, with a maximum win of 12,000X your stake. There are also in-game achievements.

Wolf Gold is a Pragmatic Play online slot with a 5-reel, 3-row layout. This slot's RTP is 96.01%, and Pragmatic Play rates Wolf Gold as 6/10 volatile, which makes it a medium variance game.

The buffalo is the most potent symbol. You can win 1, 10, or 20 times your bet if you get three, four, or five of these symbols. The wild symbol is the desert fox, appearing anywhere on the paylines to substitute other symbols. The game is simple enough for new players to grasp, but there are fun free spin rounds and other features to keep slot enthusiasts interested. The progressive jackpot and lucky giant symbols are worth playing for.

Book of Dead is a Play'n GO online slot with five reels, three rows, and ten adjustable paylines. This slot game has an RTP of 96.21%, which means that for every 100 wagered, the player receives 96.60 in prize money. The Book of Dead is a high volatility slot, which means you face greater risk as a player and greater rewards.

The Book of Dead's main bonus feature is free spins. You'll get ten free spins if you get three or more Book scatter symbols. The minimum bet is 1p, and it's fully mobile-optimized as well.

Book of Toro is the third game in ELK's 'Toro' series, which is a complete departure from the previous games in the series. This game features ten paylines and is a medium/high volatility slot. It has an RTP of 95%, slightly lower than average since most slot games have payout percentages ranging from 96% to 96.5%. Book of Toro is evaluated at a 7/10 on ELK Studios' variance scale, so the top prize of 10,000x is imposing.

The Book of Toro free spins bonus is triggered by landing three or more scatters. This is your classic "Book of..." bonus, with a random symbol chosen as the expanding scatter symbol. Another prominent feature is the Toro Goes Wild, a sticky wild that rewards you with a respin.

Big Time Gaming's Bonanza Megaways slot is a powerful, unusual, and exciting game. Since it uses the Megaways game engine, you can activate up to 117 649 paylines. Bonanza's RTP is 96%, which is roughly in line with the average for most online slots. This helps give players a 4% house edge for the Bonanza slot, which is hard to argue with. The slot variance on this game is very high, so anticipate fluctuations on your bankroll and plan accordingly.

The jackpot is triggered randomly. With this slot, your chances of winning increase dramatically as you increase your bet. However, the win potential is excellent, even if the odds of taking it home are incredibly slim.

Blueprint's Buffalo Rising Megaways appears to be a very idyllic game. Even though the RTP is 96.5%, this is a medium to high volatility game with a free spins feature that allows you to win up to 10,000 times your stake. With this kind of combination, each spin is refreshingly unique, and it all plays out on a 6-7-7-7-6-reel setup due to the horizontal top reel.

The free spins feature is Buffalo Rising Megaways' main attraction. In this game, there is a mystery symbol that appears like a picture of the background, which eventually transforms into matching symbols in the base game. You can select from four different modes, each featuring various spins and multiplier starting points. The multiplier increases with each successive win in the feature, and there is no maximum limit on how high it can go.

Twin Spin is an online slot established by Net Ent based on the classic 5X3 layout and has 243 paylines. Twin Spin has an RTP of 94.04%, slightly higher than the average. This slot game combines the charm of simplicity and the potential of hefty payouts. Moreover, it is a medium to high variance game with the potential to win up to 1080x your bet upon every single spin.
