Regarding: Preparation of Annual Budget of the University

Budget of the University (*Revised Budget for 2022-2023 and Budget Estimate for 2023-2024*) is under preparation.

Over the last few years it has been noticed that the Government is providing little fund except which is due on salary & pension. As such, there is little scope to enhance overall budgetary allocation.

Under this situation, *suggestion/ proposal/ advice* in this regard, if any, may please be given to Finance Officer, preferably by **27-09-2022**.
