Date: 17/02/2020

Addendum to the Recruitment Notice: Estt./7129/2020 Date: 12/02/2020

It is to be noted that a candidate will have to select the Grade-I and/or Grade-II post/s he/she wishes to apply for in **one single application form** only because for every application, **one unique Registration Number** will be generated and roll numbers for various posts will be automatically linked to the auto-generated unique Registration Number and the examination venue will be generated on the basis of the Registration Number. **Therefore, under no circumstances, the candidate should submit more than one application form because in such case multiple Registration Numbers will be generated against each applicant and consequently different examination venues for different Registration Numbers will be allotted. In such case, the candidate may not be able to appear for the examinations of both Grade-I and Grade-II posts at a single venue.** Under no circumstances, any request for change of examination venues will be entertained by the University.
